

Rejoice Always!

May/June 2022

Go...into all the world....preach the Good News
(Mark 16:15).

Dear Partners and Friends,

Thank you so much for your partnership. Lives are being changed.
I know you have many choices to sow and choosing this **Ministry** is very much appreciated.

We continue to outreach in our hurting world.

The Beauty of Holiness

(Sharing the love of Jesus to the girls of the night)

- **Teaming** with a colleague, we visited **The Admiral Club**, Chicago's popular and only exotic naked dance club.
- We met 1 owner, 1 manager, 2 bodyguards, 1 cashier, 1 house mom, and about 8 dancers.
- Our gifts have been delicious cupcakes and bags of personal items.
- *"We are just here to tell you Jesus loves you. Let us know if you want some prayer."*

"Go-Stand-Speak" in the temple courts (or the streets) to the people all the words of this eternal life" (Acts 5:20).

A Recent Testimony from the Manager

Text from my colleague: I wanted you know that I spoke with the manager at the club. I asked him for feedback.

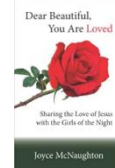

--"We really appreciate you coming in and when you came last month, I was so busy and regret spending more time with you."

--"The girls are grateful and please come whenever you want. The girls especially love the baked goods and that by the end of the night they are all gone."

--"Your gestures have really made a difference in the girls and they think you are very kind and very nice and that the doors will always be open to you."

Order from Amazon Dear Beautiful, You are **Loved**

Primarily as an evangelistic tool to share with the girls in the exotic dance clubs, it would also be a great read to family and friends that need to hear about God's love. If you want quantities for distribution, please advise.

Partners, **there is no end to this Ministry outreach** and any offerings are appreciated and a blessing.

Healing School meetings and articles

(Teaching Bible truths about physical health and healing)

- Many people need healing and deliverance.
- We do not stop laying hands on the sick, expecting miracles.
- Preparing a doctorate paper on Healing is the Children's Bread.
