

## WHAT IS THE DAY OF JEHOVAH TSABA?

By Rejoice Ministries, Inc.

For “doctrine, reproof, correction, and instruction in righteousness” (2 Timothy 3:16)

---

*This teaching is part of the revelation of the **Day of Jehovah Tsaba** (Isaiah 2:12), a revelation greatly studied, received, believed and now recorded and printed, with the hope and faith that many others will also believe and receive it.*

*The Church, whom we as believers all love and cherish because of our previous Lord Jesus Christ, is moving into days of power and might, like never seen before.*

*As in any other promise and blessing from the Heavenly Father, our hearts must open to them. In that light, I pray that you will make these truths your own.*

### The Plan Revealed

God has revealed and shared with the Body of Christ His last day plan. “*Surely the Lord Jehovah will do nothing, except he reveal his secret unto his servants the prophets*” (Amos 3:7). The Church is being prepared and quickened, shaped up, so to speak, for the things that are yet to come, but that are also right in front of us! God has saved the best for last for His people, who have been born of Him.

Right now, our hearts are being prepared for a “*one more time*” wealth transfer event (Haggai 2:5-9) that will be far greater than the one the Israelites had. The difference with this event and the former is that all nations will be shaken, and the glorious and desirous things of the Gentiles will come to God’s second family—the Body of Christ.

As glorious as the exodus of Egypt was, “*the glory of latter will be greater than of the former, saith the Lord of hosts*” (v9). This prophetic word hangs in the balance, having not been fulfilled because the words in Haggai were not for Haggai’s day, but for this day and this generation of God’s people.

### The Plan is Written

“*I will shake all nations*” (Haggai 2:7). God is stretching forth His hand over all nations, not for judgment, “*but for a vengeance to comfort all that mourn in Zion*” (Isaiah 61:2). It began with a process as the angel went out (Zechariah 2:8). Angels are designed to do whatever they are told and created to do, even bring unrest if need be (Psalms 103:20-21).

The signs for its arrival coincide with Isaiah 60:1-3. “*Arise, shine; for thy light is come, and the glory of the Lord is risen upon thee. For, behold, the darkness shall cover the earth, and gross darkness the people: but the Lord shall arise upon thee, and his glory shall be seen upon thee. And the Gentiles shall come to thy light, and kings to the brightness of thy rising.*”

### **There Will Be A Conversion**

The “*rich sea trade and the wealth of nations*” will be converted unto us. The Church will consume the riches of the Gentiles and in their glory boast. “*Lift up thine eyes round about, and see . . . Then thou shalt see, and flow together, and thine heart shall fear, and be enlarged; because the abundance of the sea shall be converted unto thee, the forces of the Gentiles shall come unto thee. The multitude of camels shall cover thee*” (v4-6). Our gates of influence and ability will never be shut, but continuously opened (Isaiah 60:11).

### **The Plan is Powerful and Perfect**

God’s plan for this event is perfect, as all of God’s ways are perfect. God says, God thinks; God does. “*For the Lord of hosts hath purposed, and who shall disannul it?*” (Isaiah 14:27). God proved and showed His power and plans to the Egyptian dynasty of what He could do. He will do it again—just one more time (Hebrews 12:26).

As God caused all the households in Egypt the night His people were delivered to “*not go out empty handed*” (Exodus 11:2, 12:35) but “*with great substance*” (Genesis 15:14), He can do it again. In one night, God’s people plundered a nation by the hand of God (Exodus 12:36) to create a “prosperity phenomenon.”

While we read about the “*beyond we can ask or think*” kind of promises in Ephesians 3:20, we all still find them difficult to grasp them with our minds. However, the *Day of Jehovah Tsaba* promises are no more mind-boggling than when Israel was told the night they left Egypt they would have all the gold, silver and fine apparel of their task masters!

### **The Preparing of the Church**

The Church will become the most magnificent and glorious institution in the earth. We will eventually demonstrate in and to the world, as a Body, the smallness of any of their achievements, because our programs and abilities and greatness will be seen far beyond anything any persons in the world have yet seen. God will make His people the wealthiest and greatest, while the secular ungodly world will not ever understand God’s plans of excess and delight to and for His people.

The Church is also being prepared to not cower any longer when the world speaks evil of us. The Church will take all its spiritual glory and power to the world for their salvation and good with the utmost ease and ability and influence that we have yet experienced (Deuteronomy 4:32). The Body of Christ will influence all of humanity as the precious harvest of untold multitudes of people come into the family of God (James 5:7). God has long awaited for this harvest and He will not be denied or fail to get it! All God does in the earth is about His family, and the *Day of Jehovah Tsaba* is about it too.

All the facets of the world’s order we currently know of are being shaken at their roots and core, causing people to stand in fear and terror. The Body of Christ can be safe and stand unimpressed of the current and pending dangers of this shaking if we establish ourselves in the Word of God

of His protection (Psalms. 91:11) and safety. We are God's people called by His name. We are called out, His elect. God has already determined to cause the glory of the world come to His latter (second) family (house) (Haggai 2:9).

### **The Positioning of the Church**

The Church needs to anticipate and expect the great wealth conversion, as all the economic systems of the world are being shaken and losing their strength. Prosperity is being reversed backed home ("*turn again*" in Psalms 126:1). Believers must take their faith and liberty to open themselves to receive all the great things God has created for them.

Additionally, the Body of Christ must come into an understanding of what God has planned for this final generation of God's people on the earth. Believers cannot deliver themselves from financial slavery into this wealthy place any more than the Israelites could deliver themselves out of their bondage! This is a parallel of Bible accounts.

So, the Body of Christ can now enlarge our hearts and increase their thinking, while remaining in close fellowship with Father God. Setting ourselves like children, we are to receive these end time promises as we had done with all the other great promises of the Bible.

### **Just Say Yes!**

*"For thus saith the Lord of hosts, After the glory hath he sent me [an angel] unto the nation which spoiled you. . . . For behold, I will shake mine hand upon them, and they shall be a spoil to their servants [us]; and ye shall know that the Lord of hosts hath sent me"* (Zechariah 2:8-9).

The angel of glory has gone out for this *Day of Jehovah Tsaba*. The Body of Christ agrees with God's Word and says "yes," by taking the anointing for it and celebrating it.

Let the Church pledge to use this great wealth for the great gathering of the harvest and not for clever money making schemes or devices. The wealth obtained from the *Day of Jehovah Tsaba* is holy, in its purest form, for the work of His service and the building of His kingdom on the earth.

The *Day of Jehovah Tsaba* has been revealed and now proclaimed. So, celebrate it!
