Illinois **Healing School** Testimony

"I feel very prosperous right now and even new business ideas are flowing I think it was from you ministering to me. I just got delivered of bipolar spirit. I felt it leave my body. Boy is your ministering powerful. I suffered with this for 10 years.

I don't know why, and I don't care I'm just happy it's gone. Thanks for coming to see me! I'm finally free."
